

HEALING  HOUSING  
THE WELCOME HOME PATRONS CIRCLE

LOVE LUNCH 2024

*Friends,*

**Every so often we each get the chance to know we've really made a difference.**

On average, recovery housing in Middle TN runs from \$800 to \$3,000/mo, *plus* admission fees. If you are *newly sober* from alcohol or drugs, *fresh out* of incarceration or a treatment facility, *facing homelessness*, and *carrying a weight of trauma*, *saving for this may feel impossible*.

While a woman looks for a job, sometimes living out of her car—**despair, poverty, and addiction often win first.**

Two years ago, we began **The Welcome Home Patrons Circle** as part of our annual fundraiser to offer *new women 9 weeks of food, shelter and services, at no cost to them!*

*Since 2022 Patrons have raised:*

**140** THOUSAND,  
OFFERING

**66** WOMEN

**9** WEEKS  
FREE

**Our Patrons say to Women, Welcome. Don't wait. Begin healing today.**

I am chairing this circle with my husband Ralph because we believe **this new tradition** is at the core of offering **restorative love to women**. We have begun the 2024 fund with a gift of \$10,000. *Would you join us by contributing \$1,000 or more to become a Patron this year?*

The Patrons Circle is part of our annual fundraiser. This year, **Lunch 2024: Allies in Action** will take place on April 23, 12PM, at Brentwood United Methodist Church. It will feature an inspiring keynote from author **Alison Jones Webb**, and is presented by **Churchill Mortgage**.
